

## **Bulletin Board Policy**

The bulletin board will serve as a center for community information. The Library will cooperate with local government and local non-profit civic, cultural, recreational and educational organizations by displaying their materials if the following criteria are met:

Materials to be display must be submitted for approval to the library and are subject to review by the library director and library board or their designee.

No organization or individual shall be permitted to display materials containing religiously or politically proselytizing information.

Due to limited space, the library reserves the right to restrict the size, number and location of display materials as well as the geographical limits of the material. The library will determine the time span during which the materials are exhibited on the bulletin board.

The library assumes no responsibility for the content of the notices or materials, nor for the possible damage or theft of materials.

Items posted are done so for informational purposes only. Posting does not imply an endorsement by the library.

Soliciting funds, except for library purposes, is not permitted.

No organization or individual shall be permitted to place in the library any box, receptacle or canister which solicits donations, except with the permission of the library board.

Posters announcing fundraising programs sponsored by any local non-profit organization may be displayed provided there is space available.

Petitions may not be posted in the library.
